

Community Support Administrator

Job Description

The One Can Trust foodbank community support team, works closely with community partners to provide vulnerable families and individuals in South Bucks with advice and support. We are a small team of staff, working with an amazing team of volunteers. The team offers a variety of community events each week and the demand for our services continues to grow.

<p>Aim of Role</p>	<p>Community Support Administrator role, assisting the team in administrative and support duties, working closely with volunteers, and communicating effectively and professionally.</p> <p>The Community Support Programme has the purpose of contacting and supporting One Can Trust food bank clients from the time they receive their first referral for food parcels. A team of experienced and qualified volunteers make initial calls and enable clients to access further support with simple signposting.</p> <p>The staff team are then able to support clients further on a one-to-one basis, through telephone conversations and face-to-face meetings at our community events. Support can include applying for local grants and funding, and sourcing free training courses including employability skills, budgeting and debt management courses. Community events currently include two toddler groups, a children’s clothes bank and a community café.</p> <p>The team administrator will be required to support and assist the staff, enabling them to carry out their individual duties. This person will also support the volunteering team based at the office in Micklefield.</p> <p>To succeed as a community support administrator, you need to be organised, forward thinking and a good team member. Good communication is key for this role, and a strong sense of empathy and understanding is essential to align with our mission.</p>
